

TRAININGS STATISTICS

Events organized under NABG	Date/Period of Organization	Number of Participants	Gender- wise distribution		Class-wise distribution	
			Male	Female	Faculty members	Research students /RA/SRFs
Sensitization Training on “Bioinformatics Tools & Resources in Fisheries Research”	January 24 – 28, 2011	24	17	07	16	08
Partners Meet on “ application of Bioinformatics in Fisheries Domain	January 29, 2011	13	11	02	10	03
Subject matter on Computational Tools for Genome Resource Data Analysis in Fisheries Domain	October 12 – 22, 2011	17	14	03	16	01
Partners Meet on “Fish Bioinformatics: Challenges and Opportunities”	March 20, 2012	15	14	01	12	03
Subject matter on “Tools for Functional and Comparative Genomics in Fisheries Domain”	November 27 – December 07, 2012	18	12	06	10	08
Basic Training of CLC Genomics	June 03 - 07, 2013	10	08	02	07	03
Basic User Training “How to use PBS PRO”	June 13, 2013	05	03	02	02	03
Training for HPC Administration and its management organized at NBFGR	October 28- 30, 2013	11	09	02	10	01
Subject matter on “Bioinformatics Approaches in Genomics, Transcriptomics and Proteomics”	November 12 – 22, 2013	22	15	07	21	01
